Pick your favorite multi-function knife and throw it in your bag. You never know when you might meet someone in need of a bottle opener.

o

intment

For those cuts and scrapes you weren't planning on but always happen. For added protection, pick something with antibacterial properties.

ap

You've already got the komoot app for your phone, but if your phone breaks or the battery dies, a paper map is indispensable.

o

hms

Keep the tunes rock'n the whole trip with an external battery pack. It's also useful if you need to make a quick call to say you'll be late or need help.

o

ats

No one plans to be stuck out overnight, but taking something easy to carry and high in calories can be a lifesaver if you get into trouble.
